Valid for 1 2-Hour Free Session Virtual Permit of Daily Parking. This is a virtual permit, no hang tag required. When Enforcement Officers come upon your vehicle, they will digitally "iChalk" your vehicle, effectively starting the 2 hour timer. Once that 2 hour iChalk period expires, you will be subject to normal parking rules and regulations. You must be a city resident to qualify. Only one vehicle qualifies for this special event. If you need to change your license plate, please contact the Parking Authority Office, at the above phone number or stop in to City Hall.

All vehicles MUST PULL INTO A PARKING SPOT, with your license plate being available to scan with our ALPR technology. Failure to do so will void your Municipal Permit.

This permit is valid until December 31st of the current year. Subject to renewal the following calendar year.
